**VISIONARY 8.0 PRO**

# *Ready to Go Pro? Upgrade Today!*

If you are not currently using Visionary 8 Pro for discovery management and trial presentation, you are missing out on many powerful features. When using Visionary 8 Pro, your productivity in the office and your effectiveness in the courtroom is maximized. Don't limit your team's ability to produce the best outcome for you client—upgrade today!

**LARGE DOCUMENT DATABASE CAPACITY** - With Visionary 8 Pro, you will have the ability to manage all your case documents and exhibits with ease. You can tailor the document database to fit the specific needs of your case.

**UNLIMITED DEPONENTS/TRANSCRIPTS** - To maximize productivity in the office or courtroom, you can import all  transcripts and the corresponding synchronized audio/video files (if applicable).

**DESKTOP OCR (OPTICAL CHARACTER RECOGNITION)** - With Visionary 8 Pro, you can OCR any document or range of documents to search and identify important content with ease. Without the OCR feature, you cannot effectively search the content of your documents, limiting your effectiveness.

**AUTOMATIC BATES NUMBERING** - Now you can apply Bates numbers to individual documents or a range of documents as they are imported for easy identification and association.

**DESKTOP QUICK SYNC** - Minimize the time it takes to receive that important synchronized transcript with desktop quick sync.

**CONVERT PDF IMAGES TO TIFF OR JPEG** - If you receive your documents in PDF format, you can easily convert the files to TIFF or JPEG to be viewed and annotated in Visionary.

**EXPORT ISSUEBUILDERS AS HTML** - With Visionary 8 Pro, it is easy to produce synchronized text to audio/video designations (clips) and documents for review. Now you can share a few documents or complex presentations with ease.

**ENHANCED IMPORT FEATURE** - Import important case documents and files for greater control.

**ACCESS TO LIVEFEED DIRECT** - Receive the reporter's transcript immediately, annotate the transcript and import the real-time transcript into your case.

**BUILD CUSTOM REPORTS** - In addition to the standard eight reports included with every copy of Visionary, you can build your own custom reports.

**ON-THE-FLY SCANNING** - With a portable scanner you can enter exhibits on the fly.

# Visionary 8 Pro
## Discovery Management and Trial Presentation Software

From a small one day hearing to a class action suit with thousands of documents and hundreds of hours of testimony, **Visionary 8 Pro** is the preferred discovery management and trial presentation solution. It was designed to handle and manage the large volume of transcripts, exhibits and videos connected with a case—from the original discovery to the final verdict—with ease.

**Visionary 8 Pro** features a highly intuitive user interface giving you the flexibility to develop your case from any location—a law office, in a deposition, or even on a plane. The configurable document database makes it easy to code, index, and search your discovery documents.

As your case develops, **Visionary 8 Pro** allows for easy organization of key facts using the fact database and IssueBuilders. IssueBuilders are virtual outlines that can be shared with co-counsel, expert witnesses, or clients so that everyone will be focused on the key facts of the case. Locating relevant parts of transcripts and documents is simple with **Visionary 8 Pro's** full text search feature.
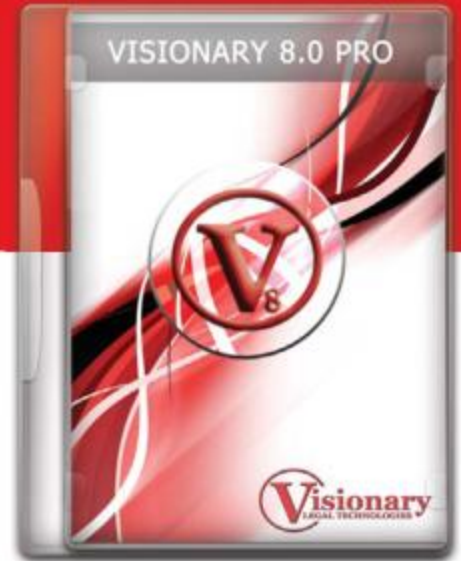

The impact of video depositions is maximized when you use **Visionary 8 Pro** to combine images and text. Now you can create detailed scripted presentations that can be used in court, mediations, client reviews, arbitrations or hearings. As the case moves to trial, **Visionary 8 Pro** provides you with the tools you need to build and present your winning case. *The Visionary Advantage* is the on-the-fly ability to adapt to changes in the courtroom. All of your case materials, including images, video depositions and transcripts can be quickly located and presented.

It is simple to highlight and present a transcript, play the deposition and/or video or bring up a document and annotate key points with the intuitive controls in **Visionary 8 Pro**. In addition, objections, text and video can be removed with the click of a button.

This court-savvy system was developed *by* litigators *for* litigators and is easy to learn and customize to fit your style. With **Visionary 8 Pro** on your side, you will accomplish more with less effort.

*Call us today to see why litigators trust Visionary 8 Pro to manage their cases from discovery to final appeal.*
